

IBM IGEM 2014, October 2014

The International Greentech & Eco Products Exhibition and Conference Malaysia

IBM IGEM 2014, October 2014

- The Ministry of Energy, Green Technology and Water, Malaysia (KeTTHA) will be organizing IGEM in October 2014. IGEM continues to take the green lead in the region towards sustainable growth and development for the future.
- MATRADE will be organising an Incoming Buying Mission in a one day **one-to-one pre-arranged business meetings**. Foreign buyers are also the special guest for the Opening Ceremony of IGEM.
- IGEM is an effective venue for green products and services buyers and sellers to meet and conduct transactions. The focus sectors are Energy & Energy Efficiency, Green Building Materials and Eco-products and Related Services.
- Foreign buyers are entitled to complimentary accommodation of **maximum of 4 days 3 nights stay and airport transfers**.
