

Healthcare services

Oldřich Šubrt

Czech Republic - now

- Spa – Teplice, Darkov, Jáchymov
- Rehabilitation – Kladruby
- Dentistry
- Plastic surgery
- IVF, obstetric, gynecology (abortions)
- Electiv surgery – cardio, ortho, uro
- Minimal invasive methods, robotic surgery
- Pregraduate education

Czech Republic - future

- Electiv Surgery – cardio, ortho, uro
- Minimal invasive methods, robotic surgery
- Research – genetics, imunology
- Paediatry
- Diseases management

Where capacity is?

- Financing per case x fee for service = capacity in the hospitals
- Postgraduate training in the licensing hospitals = capacity of the Institute for Postgraduate Physician Education (IPVZ)
- Higher effectiveness of the university hospitals = overcapacity of the specialized physicians

Czech prices for foreigners

- Hernia surgery, Gastrocele – 3.000 Euro
- Surgery for gastric chronic ulcer – 4.700 Euro
- Hip replacement – 10 000 Euro
- Knee replacement – 7 800 Euro
- Arthroscopy and ligamnets surgeries – 2.800 Euro
- Minimal invasive prostatectomy – 3 400 Euro
- Cardio cathetrization – 2 700 Euro (+ 2 700 stent implantation)
- Implantation of pacemakers – 17 000 Euro
- Cardio by pass surgery – 27 000 Euro

Comparison of DRG Reimbursements 2014

Coronary Heart Disease and Heart Insufficiency

Kliniken Nordoberpfalz					Czech Republic						
Indication (infarction excluded) / procedure		DRG	Cost weight	Additional reimbursement	Total case cost	Total case cost	Coeff.	Cost weight	DRG	Indication / procedure	pozn.
STENTS	CHD, Koro + 2 non-coated stents, without MCC	F56B	1,190		3 793,72€	7 637,38€	1,5	6,1099	5281 5282	Percutaneous coronary angioplasty, >=3 non-coated stents, without infarction, without or with CC	<p><i>protože se nám nepodařilo zjistit, zda "bez MCC" připouští CC, doplnil jsem jen pro úplnost i DRG 05281 (bez CC), přestože je cena stejná. Problémem zůstává fakt, že nemáme DRG pro 1 - 2 nepotahované stenty, proto uvádíme cenu pro 3 a více</i></p> <p><i>Zde jsem vynechal po dohodě s MUDr. Šubřtem úplně DRG skupiny pro 3 a více stentů, porovnáváme 1 nebo 2 stenty v Německu, tedy v našem případě 2 a méně dle českého dělení. Proto je výsledek stejný pro obě německé DRG. Dále, stejně jako u první poznámky, nevíme jestli "bez MCC" připouští CC, proto jsou na české straně uvedeny oba případy - bez CC a s CC</i></p>
	CHD, Koro + 1 stent coated, without MCC	F58B	0,925	235,94€	3 184,84€	5 570,38€	1,5	4,4563	05271	Percutaneous coronary angioplasty, <=2 coated stents, without infarction, without CC	
						6 042,75€	1,5	4,8342	05272	Percutaneous coronary angioplasty, <=2 coated stents, without infarction, with CC	
	CHD, Koro + 2 coated stents, without MCC	F56B	1,190	471,88€	4 265,60€	5 570,38€	1,5	4,4563	05271	Percutaneous coronary angioplasty, <=2 coated stents, without infarction, without CC	
						6 042,75€	1,5	4,8342	05272	Percutaneous coronary angioplasty, <=2 coated stents, without infarction, with CC	
	STIMULATORS	CHD + stimulator single chamber (no CC differentiation)	F12I	1,614		5 145,43€	5 242,39€	1,38	4,5586	05112	
6 113,17€							1,38	5,3158	05113	Implantation of permanent cardiac stimulator without infarction, with MCC	
CHD + stimulator double chamber, without MCC		F12G	1,651		5 263,39€	4 956,50€	1,38	4,31	05111	Implantation of permanent cardiac stimulator without infarction, without CC	
	CHD + stimulator triple chamber, without MCC	F12B	3,233		10 306,80€						
DEFIBRILLATORS	Heart insuff. + defibrillator triple chamber (no CC differentiation)	F01C	5,691		18 142,91€	37 412,49€	1,38	32,5326	05013	Cardiac defibrillator and implantable device for cardiac support, with MCC	<p><i>Stejně jako u stimulátorů, v ČR nerozlišujeme počty komor, jediné porovnávání možné jen v komplikacích</i></p> <p><i>Opět, jen pro úplnost je uvedeno i DRG bez CC (viz výše poznámka, co je vlastně myšleno "without MCC". Doporučuji vyjasnit při osobní schůzce.</i></p>
	Heart insuff. + defibrillator double chamber (no CC differentiation)	F01F	4,762		15 181,26€						
	Heart insuff. + defibrillator single chamber, without MCC	F01G	3,639		11 601,13€	36 180,04€	1,38	31,4609	05012	Cardiac defibrillator and implantable device for cardiac support, with CC	
						35 812,38€	1,38	31,1412	05011	Cardiac defibrillator and implantable device for cardiac support, without CC	

Base rate Bavaria - without equalization (2014)

3 188 €

Base rate Czech Republic (2014)

833 €

Case costs with informative character only - not considering any individual case specificities, costs for organization and interpreters (Germany) not included

Calculation of Czech case costs based on exchange

rate 1 EUR = 27 CZK

2011/24/EU, 9.3.2011

- European regulation – application of the patient's rights in crossborder healthcare
- Valid October 2013
- Czech regulation at April 2014

Projects

- Central European Healthcare – UAE
- Program Health Plus – Budapest
- Academy HealthCare Management
Executive MBA in Healthcare (International Program)
